

Study Space Legal Package

10 Legal Review Notes

STUDY SPACE

Legal Review Notes

Counsel review guide for the Study Space legal package

Field	Details
Version	0.1
Draft date	2026-07-14
Prepared for	Founder review and qualified attorney review
Status	Attorney-review draft only; not final legal advice; not ready for signature until reviewed and approved by qualified counsel.

Important Notice

This draft package is a project-specific working draft prepared for review, amendment, and approval by qualified legal counsel. It is not legal advice, does not create an attorney-client relationship, and should not be signed or relied upon until counsel confirms suitability for the governing law, facts, parties, and commercial plan.

Revision History

Version	Date	Description	Author
0.1	2026-07-14	Initial project-specific attorney-review draft generated from inspected Study Space repository and founder instructions.	Drafting assistant

3. Project-Specific Provisions
4. Schedules and Appendices
5. Signature Pages
6. Legal Review Notes

Document-by-Document Review Notes

Document	Legal Review Focus
Founding Contributor Agreement	Confirm volunteer classification, governance rights, founder authority, repository rules, survival clauses, and enforceability in each contributor jurisdiction.
IP Assignment Agreement	Confirm assignment formalities, consideration, moral rights, employer/school conflicts, AI-generated content treatment, patent language, and pre-existing IP schedule.
Mutual NDA	Confirm duration, injunctive relief, compelled disclosure process, trade secret treatment, and whether one-way confidentiality is preferable.
Compensation & Commercial Success Agreement	Review wage/hour, tax, securities, partnership, revenue share, acquisition waterfall, caps, and objective trigger drafting.
Repository & Security Agreement	Map to GitHub settings, hosting provider, branch protection, incident response, and access-control tooling.
Contributor Standards Manual	Keep as operational policy; decide whether breach creates termination rights and compensation forfeiture.
Offboarding Agreement	Review access-removal timing, credential rotation obligations, deletion certificates, and continuing obligations.
Open Source Policy	Verify licenses from package distributions; add notices; decide outbound project license; resolve dependency version mismatches.
Developer Privacy & Data Handling Agreement	Prepare public privacy program before user launch; address minors, international transfers, AI providers, retention, deletion, and processors.

Cross-Package Issues

- Select governing law, venue, dispute process, and electronic signature rules.
- Insert full legal names, addresses, effective dates, and contributor identities.
- Confirm whether contributors are adults and whether any employer, university, client, or open-source obligation affects their work.
- Resolve repository naming mismatch and no-license posture.
- Prepare public-facing user legal documents before inviting real users.
- Establish cap table/equity policy if any equity or options will ever be offered.
